A **New Lesson Plan** is available for the story **“Little Bianca”**. The lesson plan explores the words “job” and “money” and offers a great way to begin a discussion about economics with 5- to 8-year-olds. Activity Sheets and Word Searches 1 - 3 labeled for Beginners enrich the lesson plan. Find the lesson plan at

Four **New Word Searches** are available for Financial Terms. Find them at

<http://www.pilinutpress.com/DirectoryWordSearches.html>. The first three Word Searches have beginner level words and make a natural follow-on for the Economics Lesson Plan. They can also be used independently. The fourth Word Search contains words at the Intermediate Level for understanding finances. Look for more about this Word Search next month.

New [Activity Sheets](#) for Financial Terms are available.

1. Each Activity Sheet corresponds to a Financial Word Search identified with the same number and gives additional ways to practice using the new words.
2. The Activity Sheets can be used in conjunction with the economics lesson plan mentioned earlier or by themselves.

You will find four new activity sheets and answer keys at <http://www.pilinutpress.com/DirectoryActivitySheets.html>.
