

Pilinet Press News April 2012

Please note: We are converting our website to make it download faster. We have completed Phase 1 of the conversion. The next phase should be imperceptible to our readers – we hope! All pages now sport our new format. Behind the scenes, we are continuing to improve the download speeds. With all the changes we've had to make, it is possible an error has crept in. Please let us know if you find any links that do not function properly or any other feature which does not load correctly. We are working as quickly as possible to complete the conversion and expect to be done in June 2012.

Reference Desk Material: You will find lots of ideas for developing literacy skills on the **Reference Desk** feature on the www.pilinetpress.com website. Free teaching aids for parents and teachers are also available. New articles this month are:

[Recognizing and Teaching to Individual Learning Styles](#) – Learning styles are the ways a person takes in, stores, and retrieves information. Understanding how your students process information will allow you to select training methods to ensure their success.

[Save Money When Buying Meat](#) – Buying meat is the most expensive part of your food budget. Learn how to buy meat and use it cost effectively.

New Activity Sheets: There are two new activity sheets for stories from **Webb's Wondrous Tales Book 1** (*The Fisherman's Wish* and *Fool's Gold*). Our Activity sheets include definition matching, Fill-in-the-Blank sentence completion, word copying, and word-to-picture matching exercises. The sheets are great for practicing new vocabulary, hand writing, and spelling skills. These sheets complement the Word Searches already available. Word Searches help with word pattern recognition and spelling. Use both of these tools to strengthen your child's or ESL student's vocabulary.

Books as Gifts: For young readers try **Little Bianca**, **Can You Keep a Secret?**, **Danny and the Detention Demons**, and **The Snickerdoodle Mystery**. For intermediate readers try the **Webb's Wondrous Tales Books 1** and **2**. For fans of writers like Dave Barry and Bill Bryson, try **Seoul-Full Letters** – a humorous recounting of Mack's adventures in South Korea. For the aspiring authors on your gift list, a copy of **Publish Today!** is sure to be welcome. **Feed Your Family of Four for \$4 a Day** is perfect for those who wish to save money on food. **Be sure to download our free matching bookmarks.**
