

Pilinut Press News March 2012

Please note: We are converting our website to make it download faster. Converted pages have a slightly different format. You will find both newly converted pages and pages in the unconverted format at the moment. It is a big task. We are working as quickly as possible to complete the conversion and expect to be done in June 2012.

NEW Release: Our newest book is out!! It's titled "[Feed Your Family of Four for \\$4 a Day](#)". It is a great resource for families struggling with food insecurity. Please donate copies of this book to your local food bank and shelter. If you'd like to double your gift, donate money to the food bank or shelter specifically to purchase these books. A non-profit organization can purchase these books directly from Pilinut Press at half price to distribute to their clients. Just have them contact us by e-mail at mainoffice@pilinutpress.com. And thank you for helping us reach those who need this book the most!

Reference Desk Material: You will find lots of ideas for developing literacy skills on the **Reference Desk** feature on the www.pilinutpress.com website. Free teaching aids for parents and teachers are also available. New articles this month are:

[Instant or Sight Words — What They Are and How to Teach Them](#) – Sight or instant words are important words to learn for reading fluency and comprehension. These words are often hard to teach through the use of phonics and difficult to depict with pictures. Yet these common words make up at least half of the words we read everyday. Learn how to teach these words.

[Save Money by Baking Your Own Bread](#) – Baking your own bread can save you money. You can save between roughly seventy cents to three dollars or more per loaf depending on what bread you make. Here are ideas on how to make delicious fresh bread for pennies.

[New Activity Sheets:](#) There are two new activity sheets for stories from **Webb's Wondrous Tales Book 1**. Our Activity sheets include definition matching, Fill-in-the-Blank sentence completion, word copying, and word-to-picture matching exercises. The sheets are great for practicing new vocabulary, hand writing, and spelling skills. These sheets complement the Word Searches already available. Word Searches help with word pattern recognition and spelling. Use both of these tools to strengthen your child's or ESL student's vocabulary.

Books as Gifts: For young readers try [Little Bianca](#), [Can You Keep a Secret?](#), [Danny and the Detention Demons](#), and [The Snickerdoodle Mystery](#). For intermediate readers try the **Webb's Wondrous Tales Books 1** and **2**. For fans of writers like Dave Barry and Bill Bryson, try [Seoul-Full Letters](#) – a humorous recounting of Mack's adventures in South Korea. For the aspiring authors on your gift list, a copy of [Publish Today!](#) is sure to be welcome. [Feed Your Family of Four for \\$4 a Day](#) is perfect for those who wish to save money on food. **Be sure to download our free matching bookmarks.**

Looking for a quiet time activity? Download **free** activity sheets, coloring and lettering sheets, or word searches from our website.

For word mazes, check out our [Activity Sheets](#).

Pull out the crayons and download [Coloring and Lettering Sheets](#).

Are you a Word Search fan like me? We have a large number of [word searches](#) which coordinate with our books.

Thank you so much for your continued interest in Pilinut Press books. Feel free to share this email with your friends and family!

Happy Reading!
